

2010 Fall Student Auditions – November 5 & 6, 2010

REPERTOIRE REQUIREMENTS

1. Singer will present the designated number of pieces (songs and arias), style periods and languages, but may combine these with considerable freedom.
2. For convenience, we designate three broad style periods:
 Pre 1800: Includes Renaissance, Baroque and Classical (through Haydn)
 19th Century: Romantic, including the later period that overlaps into the 20th century (e.g., R. Strauss)
 20th & 21st Century: Music composed since 1900
3. Since Valley of the Sun NATS holds separate Musical Theater Auditions, no musical theater selections are permitted in these Student Auditions. However, legitimate operetta selections are permitted.
4. At the teacher's discretion, arias may be sung in English translation or in standard transpositions.
5. All selections must be memorized – however, oratorio arias need not be memorized.
6. Singers must bring original copies of their repertoire with them to the audition.
